Job Title	Health and Safety Lead
Reporting to	HSEQ Manager
Depot	Newton Aycliffe, County Durham

THE ROLE

As we continue to grow, we need to keep our people safe. You will be leading the Health, Safety, Environment & Quality strategy for the North. Working closely with the HSEQ Manager to make sure people stay safe in the workplace and are not harmed while carrying out their roles. Ensuring that sound health, safety and environmental practices are followed, documented, and fully aligned to the strategy.

A TYPICAL WEEK MIGHT INVOLVE

- Understanding HSE and quality control processes to ensure they are implemented and followed
- Conducting health and safety reviews with clients to assist planning and enable a collaborative approach to changes within industry to keep MSF compliant and safe
- Being the first point of contact for Health & Safety questions and issues for the Northern Depot(s)
- Regular meetings with the HSEQ team to ensure a collaborative approach
- Carrying out site inspections for internal HSE audit purposes, training assessments
- Carrying out incident report investigations
- Involvement in updating company processes as to current legislation
- Analysing data and statistics from clients
- Reporting on incidents and improvements needed
- Guiding Health & Safety Advisors on workload
- Supporting HSEQ Manager on implementation, documentation and driving the department forward

As a rapidly growing business, no two days are ever the same so what you do will vary. The nature of our business and the pace we move at also means that priorities do change, and you will need to be comfortable with this.
