

DETAILS

Job Title	Programme Manager
Reporting to	Operations Director
Depot	Podington, Northamptonshire

THE ROLE

You will be responsible for compiling the company-wide delivery programmes for all business streams and offices into a single programme. The emphasis will be to deliver programme efficiencies, resources, materials and recruitment profiles and produce monthly reports at operational and board levels.

A TYPICAL WEEK MIGHT INVOLVE

- Managing Primavera P6/Microsoft project planner software
- Supporting the delivery of a projects running UK wide
- Collaborating with a variety of different stakeholders for the delivery of all projects
- Developing and maintain a programme strategy
- Implementing programme organisation and reporting structures
- Developing and maintaining an effective resource, materials, and cost plan
- Supporting the Operations team in managing their budgets, productivity, costs, project risks, issues, project scope and project change control in line with objectives and targets
- Supporting the team to deliver initiatives within the organisation to continually improve the operations performance, the quality of delivery, and our focus on the Health and Safety practices in the environment we work in

As a rapidly growing business, no two days are ever the same so what you do will vary. The nature of our business and the pace we move at also means that priorities do change, and you will need to be comfortable with this.

APPLY IF YOU ARE

- Details orientated
- Experienced in constructing project programmes and interchanging data between Primavera P6, and Microsoft Project software packages
- Proficient in Windows operating systems
- Have experience with Primavera P6 / MS project
- Committed to great Customer Service
- Experienced in communicating with internal and external stakeholders
- Strong at planning and organising
- A capable problem solver and decision-maker
- An effective communicator both written and verbal
- A team player
